PARCEL NO. S2B3A - 5

ADDRESS 218-222 Boylston Street

Assessment	\$156,800		
First Appraisal	\$338,200	J.Cullen	5/7/81
Second Appraisal	\$418,000	R.Dennis	6/22/81
Rec. Max. Acq. Price	\$376,000		

Both appraisers are of the opinion that the highest and best use of the parcel is for high-rise development as part of a larger parcel assembled with other parcels in the block. The existing structure on the lot is given no value.

The appraisers rely exclusively on the market data approach to value. The first appraiser estimates a value of \$48.57 per sq. ft.; the second appraiser, \$60.00 per sq. ft.

After analyzing all of the comparable sales contained in the two reports, I recommend a value of \$54.00 per sq. ft. which computes to \$376,000.
